28TH APRIL 2023

221' 6" /67.50M ICON LOON 221 FOR CHARTER WITH IYC

IYC is excited to welcome an exceptional new addition to our worldwide charter fleet: 221' (68m) Icon LOON (ex-ICON). Built in 2010 and extended by 16 feet in 2014, LOON 221 is a highly [successful charter yacht](#) with a proven track record of delivering unforgettable vacations.

With flexible accommodations for 12 overnight guests, her highlights include a duplex master suite, on board swimming pool, an outstanding beach club, an array of water toys and a dedicated **gym**, a sauna, and a massage room. Designed by Redman Whiteley Dixon (RWD), she is built for world cruising in sophisticated comfort with an impressive 6,000 nautical mile range.

For additional details, contact [Heather Hatcher](#) or [click here](#) for a full yacht description.

IYC is ranked among the top three brokerage companies globally and maintains the largest charter fleet in the world, with more than 100 yachts.
